

Nightingale Infant and Nursery School

Weekly Newsletter

27.05.2022

Dear Parents/Carers,

Half term is here!! Have a lovely bank holiday on Thursday and Friday. We all hope the weather stays fabulous for us all. We apologise for the lateness of this week's publication. We try our best to get the newsletter out on a Friday afternoon. We are lost without Mrs Mardell!!

Have a lovely Jubilee weekend - don't forget to send us photos of any celebrations

Best wishes

Mrs Hutt and Mrs Boyce and all the team at Nightingale

F.L.O.C.K Awards

Our Keep Trying Kookaburras this week are

Keep trying like Kitty

Rule Britannia

Thank you so much for supporting your children so brilliantly – what a turn out. It was so fantastic to see you all on the playground. The lunch was terrific and we all had such a nice time – please send us your pictures of your jubilee celebrations – we will publish them after half term.

Wow look at these knickers Phoebe designed for the Queen to wear if she visits our Jubilee Lunch!!!

KS1 Trip

The Key Stage 1 trip is to Sheringham Park on Monday 13th June. We are asking for volunteers. We are hoping to take a lot of volunteers so hopefully will be able to accommodate all requests to come. Please speak to the class teacher who will pass your name to Mr Hollis, who is our Science Co-ordinator and visit lead. The information for the visit is on a separate sheet.

RSPCA

The Education and Events Officer for the RSPCA will be coming to visit on the 7th and 10th June. Delivering a tailor-made classroom session which is an hour long. The session includes an overview of the RSPCA and an animals 5 basic welfare needs. It also includes a specific topic; litter, pet care, history, campaigns, wildlife and their habitats, forest school, marine life.

The classroom sessions involve several activities for the children to participate in and a resource pack is left with the teacher for some follow-on work and activities, all linked to the curriculum and learning age. We cant wait for their visit.

JOB VACANCY

We are looking for a Midday Supervisory Assistant to join our team at **Drayton**. If you are interested, please go on the following link for more information.

<https://www.educationjobfinder.org.uk/vfjobs/midday-supervisory-assistant-63/?fromSearchPage=true>

Pastoral Support

If you have any concerns about your child's wellbeing and wish to discuss, our Pastoral Support Assistant, Mrs. Lake is here to help.

Please email directly to Mrs. Lake psadrayton@istnorfolk.co.uk to make an appointment. Mrs Lake is based at Nightingale on Mondays and will always aim to be on the gate in the morning for anyone wishing to see her.

Learning taking place in our classes this week!

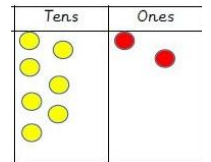

In EYFS this week the children have been celebrating the Queens Platinum Jubilee! We have read 'What the Ladybird Heard on Holiday' where the Ladybird visits the Queen and a very funny book called 'The Queens Knickers'. This week the children have all had the chance to write a letter to the Queen, write Jubilee party invitations, make a special crown, paint the union flag and make a Queens' guard using split pins. We have also made portraits of the Queen and special jubilee bunting to decorate our classrooms. We have also learnt about the Royal family and Buckingham palace. The children really enjoyed eating their special Jubilee lunch and joining in with the whole school Jubilee concert. In Kingfisher class all children have written their own farm fact book about their favourite farm animals. In maths the children have been adding through mathematical stories using 'first, then, now' and counting on from a number to find the answer. In Nuthatch the children have been learning a new sound, 'n'. Can you find anything at home that begins with the 'n' sound? In maths the Nuthatch children have sorted coins by colour, value and size. We hope you all have a lovely half term holiday and look forward to seeing you back at school on Monday 6th June!

This week in key stage one we have finished our topic of 'The Secret Sky Garden' by sequencing pictures from the story, discussing what we liked and did not like about the story and finally writing a book review. In maths we have focused on money, making sure we can recognise coins and notes and putting them in value order. We also pretended to go to the toyshop to buy two items, worked out the total cost using lines or a tens and ones grid and the coins we could use to pay. In Science we have been predicting what will happen to the cress seeds that we planted. We have put them in strange places including the fridge! I wonder which ones will grow the best. We hope you have a lovely half term and look forward to seeing you all soon.
