

Knowledge Organiser EYFS Spring 1 People who help us

We're thinking about all of the people who help us this half term. Who might we need if we hurt ourselves? What about if there was a fire or maybe an accident? We will be using a range of non-fiction texts to find out about the emergency services and a range of other people who help us. I wonder what it takes to be a firefighter...we can't wait to find out and take part in our very own training in school.

Who might use these things to help us?

Can you think about anyone else who helps us?
