NORSE representative – Mrs Cooper, Mrs Stubbs

Minutes from last meeting:

Charities – this year we will be supporting various charities – children in need, sports for schools, the local community food banks

This week's meeting:

In this week's meeting we met with the head of Norse to talk all things school-lunch!

Ahead of the meeting we discussed things we like and dislike about the current menu.

Photos of school menu shared with children.

- Holly enjoys the vegetable goujons – they have only had them at school.
- Finn likes the sausages the same amount as the sausages
- Livvie said that she doesn't enjoy the omlette
- Some children like peas and beans with their fish and chips
- Lots of the children like fish and chips and pizza.
- Several children like to have jacket potatoes
- Several children have school packed lunches.

Dislikes:

- Lots of children don't enjoy the chilli because they think it's too spicy.
- Holly doesn't like the mousse
- Finn doesn't like cheesy pasta or jacket potatoes
- Amber doesn't like the chicken fajita wrap because it's too spicy
- Eva doesn't like any pizza – at home or at school.

Fruit and veg likes:

- Several children would like pineapple, cucumber and grapes at school
- Peas and carrots, potatoes, sweetcorn and broccoli

Ideas to add to the menu:

- Banana split
- Tacos
- Chicken nuggets
- Jelly and ice cream more often
- Adding squash to the drinks options.
