New Trim Trail!!!

You may have noticed some exciting things happening on our field yesterday, and we are very pleased to let you all know that our new Trim Trail has been installed and is ready for use!! We are very grateful to the Friends of Nightingale Infant and Nursery School who have contributed a whopping £5,000 towards this project, without whom this wouldn't have been able to go ahead. All their hard work raising funds for the school and your support in helping them do this have provided some fabulous new equipment for the children to use. We can't wait to see them having fun on the field!

Our Values

This week our value has been focussed on listening. The children have shown how great they are at listening to people when they are speaking. They can talk about what good listening looks like (eye contact, asking questions, not being distracted, nodding etc) and why it's important to help us learn.

Visitors to the school

This week we had our Trust board members visit Nightingale to hold their meeting. They toured the school and were amazed by what they saw. The children were polite, welcoming and showing how well they uphold our school values and how hard they work.

Reporting Absence

When you report your child's absence, please ensure to let us know the symptoms your child is having in order for us to record this. Thank you.

Friends Valentines Disco

The main text is in a simple, black font, providing details about the event, including times for different classes and a request for a donation. At the bottom, there are social media icons for Facebook, Twitter, and Email, along with the school's name and address.
