

All About Me

Reception

Autumn 1 2023

This half term in Kingfisher class, we will settle into our new Reception environment, get to know new friends and grown-ups. We will look at significant events in our past, explore our facial features and create self-portraits.

Ideas for extending learning at home:

- Talk to your child about books we've been reading - can they remember any of the words or phrases? Can they re-tell it in their own words?
- Sing some songs together = "Heads, Shoulders, Kness and Toes", "If You're Happy and You Know It"
- Look at photographs with your child -- can they talk about their own life so far? Key people, key events?
- Talk about the different emotions we can feel - how can we deal with these emotions?

Key words in our topic:

Family

Class

Belonging

Emotions
