

# Nuthatch Nursery

## Autumn Term 2 2023

### Celebrations

This half term in Nuthatch Nursery, we will be looking at celebrations. We will be exploring different festivals celebrated at this time of year, including Halloween, Bonfire Night, Diwali and Christmas. We will be looking at how different people and religions celebrate different events.

#### Ideas for extending learning at home:

- Talk about remembering people. If you do something in remembrance of a person, you do it as a way of showing that you want to remember them and that you respect them. Perhaps attend a remembrance day service or go to visit a war memorial to look at the poppies.
- Read a story about the Christmas nativity and the birth of baby Jesus. Perhaps visit the local library to choose some Christmas books to read.
- Make your own Rangoli patterns to support the celebration of Diwali, a Hindu celebration. You could do these with chalk on the ground, using paint or using colouring pens.
