

Down at the bottom of the garden: Things that creep and crawl!

Spring 2 2024

Grown ups please **do not** share this with your children just yet! Please try not to not read these books at home as we will be looking at them in school.

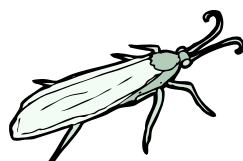

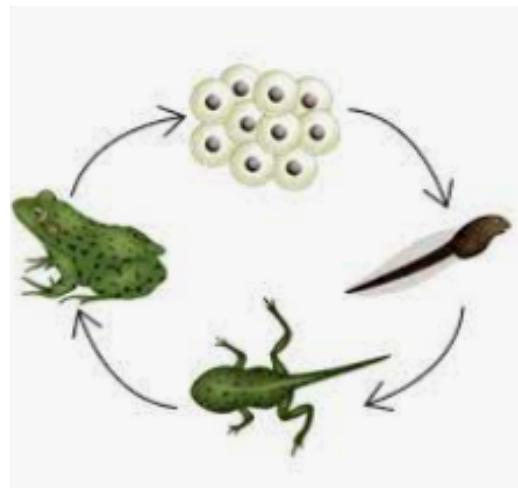

Talk4Writing

We will observe animals and sequence their life cycle. We will explore and compare different life cycles. We will be entomologists as we study wildlife in our outdoor spaces.

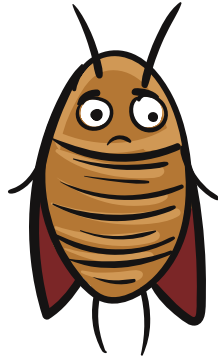

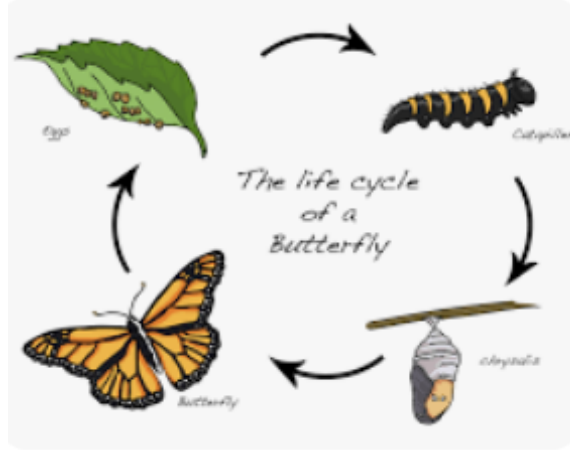

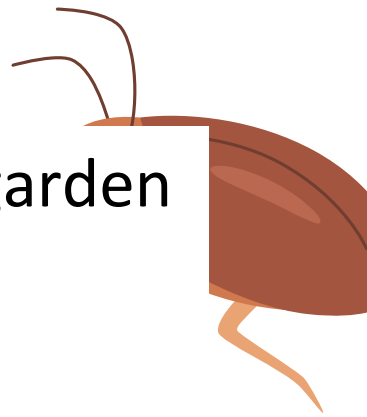

Key words in our topic:

- Seasons
- Weather
- Lifecycles
- Habitat

Down at the bottom of the garden Spring 2 2024

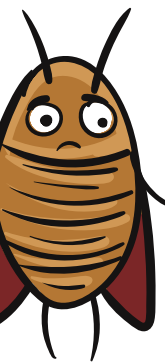

Questions to support learning at home

What is a lifecycle?

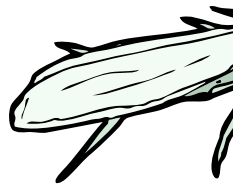

A life cycle is the different stages of life for a living thing

What is a habitat?

A habitat is an environment that a specific species lives in

Can you tell me about a lifecycle?

What is the weather like today?

What season are we in? How do you know?

What animals/creatures can you see in your garden/on a walk?

Can you describe the animal/creatures features?

What might be their habitat?
