

Nuthatch Nursery Fledglings Spring Term 2 2024 You Choose!

This half term in Nuthatch Nursery, our theme will continue to be 'You Choose', based on the book of the same name. This means we will be planning following the children's interests at the point in time. It has been really lovely to give the children some ownership over their learning this half term. We have loved the ideas the children have come up with, such as pirates, animals, princesses, fairy tales and dinosaurs. We shall see what the next half term brings!

Ideas for extending learning at home:

- We loved learning about pirates last half term. Could you find a pirate themed story book to share at bed time? Perhaps take a trip to your local library to see if you can find any more Pirate books too!
- Winter arts and craft- can you practice your cutting skills by making some super snowflakes? Maybe add some white or silver glitter to make them extra sparkly!
- We have been enjoying learning our Little Red Hen story following the Talk for Writing scheme. Perhaps your child could begin to retell the story using the actions to their adult at home?
