

# Down at the bottom of the garden: Things that grow! Summer 1 2024

Grown ups please **do not** share this with your children just yet! Please try not to not read these books at home as we will be looking at them in school.

Talk4Writing

We will observe our natural environment looking at seasons, growing and planting. We will compare and explore different parts that make up plants.

Key words in our

topic:

Petal

Flower

Blossom

Stem

Roots

Leaves

# Down at the bottom of the garden: Things that grow! Summer 1 2024

## Questions to support learning at home

**What season are we in? How do you know?**

**Can you talk to me about how we plant seeds? What do we need to do?**

**How do we look after living things such as plants? How do we help them grow?**

**Can you talk to me about Jack and the Beanstalk?**

**Did Jack make the right decision cutting down the beanstalk? (moral dilemma)**

**What is the weather like? What clothing do we need to wear?**
